- Ensure compliance with safety regulations and best practices.
- Monitor equipment performance and recommend necessary repairs or upgrades.
- Maintain a clean and organized work environment.
- Assist in training other staff on equipment maintenance procedures.
- Participate in safety meetings and contribute to a safety-first workplace culture.

### *Qualifications:*

- High school diploma or equivalent.
- Certification or training in heavy equipment maintenance is preferred.
- Proven experience in preventive maintenance of heavy machinery.
- Strong mechanical and troubleshooting skills.
- Ability to lift heavy objects and work in various weather conditions.
- Excellent communication and teamwork abilities.
- Valid driver's license with CDL B and HAZMAT endorsement

*Benefits:*

- Competitive salary based on experience.
- Health, dental, and vision insurance.
- Paid time off and holidays.
- Retirement plan options.
- Opportunities for professional development and training.

*How to Apply:*

- Interested candidates should submit their resume and cover letter to [info@evergreensiteworks.com](mailto:info@evergreensiteworks.com). We look forward to hearing from you!
